PREMIUM SERVICES

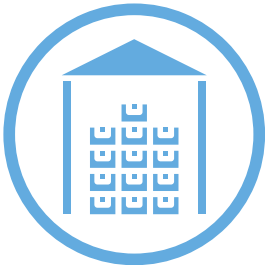

PROCUREMENT

We provide services covering all aspects of procurement, storage, logistics, inspection, insurance, documentation, etc.

PURCHASING

ROYALCO Trading buys directly from the manufacturer or authorized dealer and sells exclusively to industrial customers.

WAREHOUSING STORAGE

All orders are processed through our warehouse in Frankfurt. Our warehouses are fully equipped with the latest technology. We offer indoor and outdoor storage.

INSURANCE

We offer optional all-round protection for all inbound and outbound deliveries. All common shipping methods are included (air, sea, truck transport or a combination).

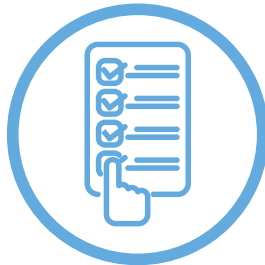

FINANCING

We also offer financing and credit options for our existing customers. For financing with longer terms, we work with well-known banks from Germany and Europe.

INSPECTION

All orders undergo extensive internal incoming and outgoing inspections by our experienced staff, including photos and documentation. We are also happy to offer inspections by independent companies such as Germanischer Lloyd, Lloyd Registers, Burea Veritas, SGS and others upon request.

ADDITIONAL SERVICES

If you have any questions or requests regarding additional services, please feel free to contact us.

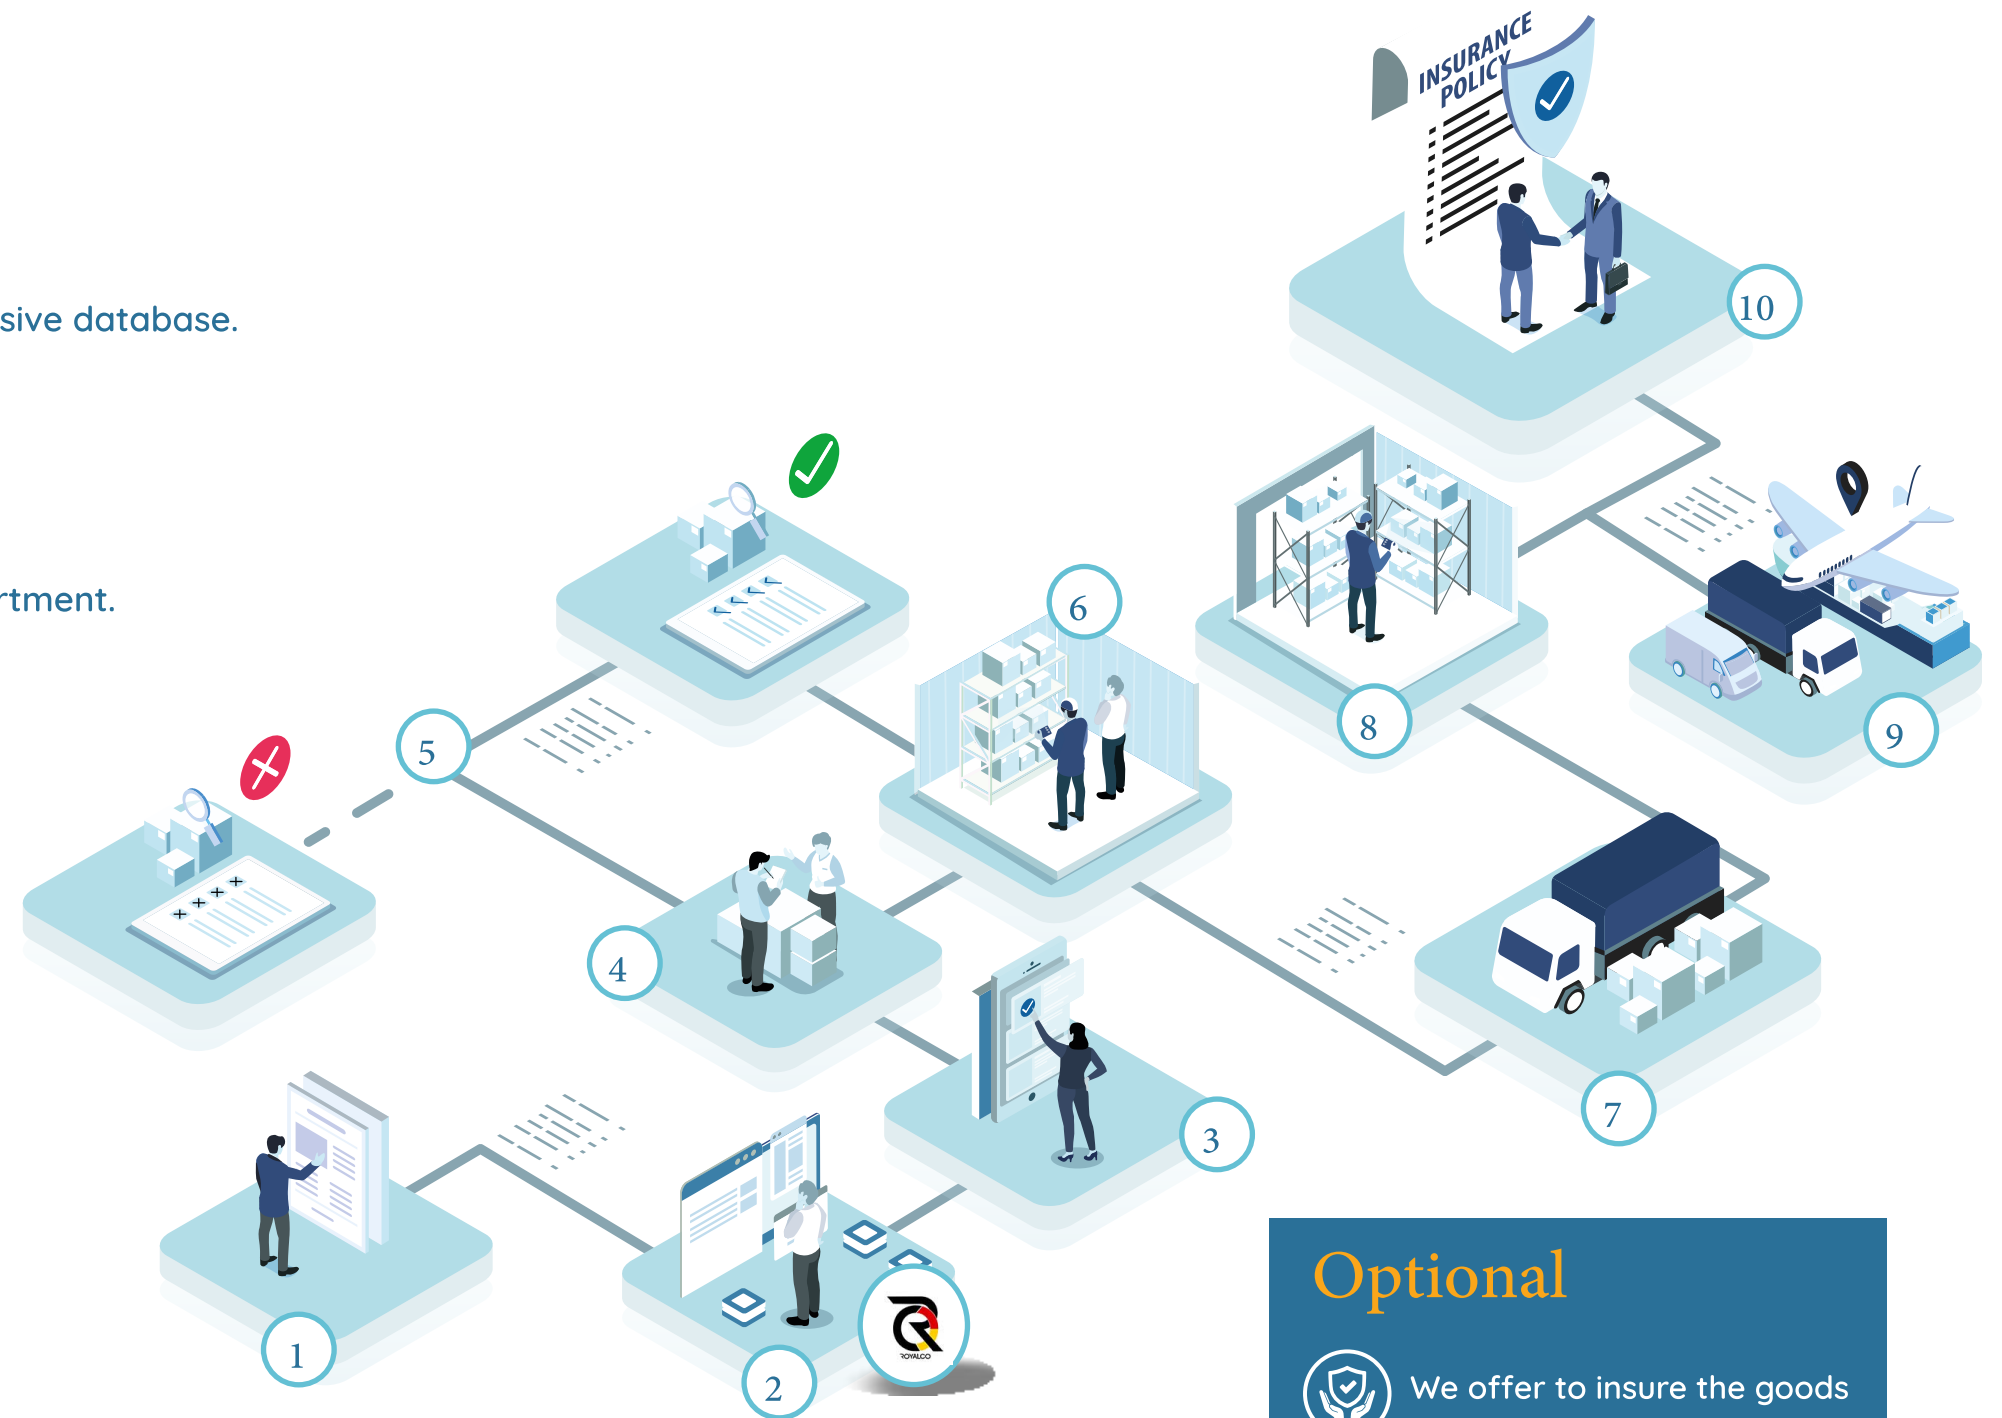

LOGISTICS

We are flexible when it comes to transport and, depending on your needs, we offer shipping by plane, ship, truck, a combination of these or even chartering.

FROM ORDER TO DELIVERING

- 1 Receipt of your valued request
- 2 Selection of one or more manufacturers for the purpose of obtaining a quotation; either according to your specifications or from our own very extensive database.
- 3 Your order placement with us.
- 4 Review of the order by our own compliance department.
- 5 **Positive verification:** the order will be activate or **Negative verification:** the order will be cancelled
- 6 The goods supplied by the manufacturers are thoroughly checked by our own trained staff. (Incoming goods inspection and also outgoing goods inspection).
- 7 The goods are prepared for shipment (labelling, marking, export packaging).
- 8 Acceptance of the goods by an independent inspection company is possible at the customer's request.
- 9 Loading/shipping by air freight, truck, ship or combined, according to customer requirements.
- 10 The customer receives his goods and the order process is hereby completed.
